

Access your Health Record Online

Get Connected, Stay Connected.

With IQHealth.

Your healthcare providers at Hillsboro Gastroenterology P.C. are storing your health record electronically to more effectively manage your care. Now, you too can access a portion of that record online.

Through a website called IQHealth, you can get connected with your medical information anytime it's convenient for you.

Fill out the information below and our receptionists will get your invitation to IQHealth on its way to you via email..
